2005 MIVE Driver's School

Sunday, April 9th 2006 7:30am - 6:00pm

Direct any questions to: Anthony Cressey - (M) 734.658.8967, or xtonicresseyx@yahoo.com

Thank you for registering for the MIVE track day held on Sunday April 9th 2006 at Gingerman Raceway in South Haven MI. Most will be put into the group that you had suggested, unless we felt it would be better for you to be in a different group to start.

I can't stress enough how important it is to be there promptly at 7:30am and ready for sign-in, then off to tech inspection. You miss out, you won't be driving until after you've been briefed.

Lunch: 10:00am-Noon

Although lunch is not provided, a catered "buffet style" pasta lunch will be available for you at a cost of \$8.00 (prices subject to change) with three different selections.
(yes, one will be vegan/vegetarian).

Tech Inspection/Sign-in: 7:30-8:20am

Mandatory tech inspection will start at 7:30am and run until 8:20am.

Sign-in will also run at this time. You must first sign in to get your car number & sticker.

IF in the event you miss the tech inspection, you will not be able to drive until after break.

Safety:

Your car can NOT be leaking any fluids of any kind. Nothing is to be loose, or falling off. Wheel lugs must be torqued. Brake lights must be working. You must have some type of seatbelt, harness' preferably. You must wear a helmet (Snell 90 or newer). All loose objects that may fly around must be taken out of your car prior to tech. Although it's not mandatory, we strongly suggest you have your car inspected prior to 1 week before the event. (please see "Refunds" below.)

Basically, if you think something is questionable, you probably shouldn't drive it on the track.

Please ask if you have any questions.

Drivers Meeting: 8:20am

A mandatory drivers meeting is to follow the tech inspection starting promptly at 8:20am. There are several new people to the track, and several people who need a reminder of safety rules and what not. **DO NOT BE LATE.** Flags, safety rules, and other questions will be covered at that time.

Hotels/Directions:

Directions and a list of hotels can be found at: <http://www.gingermanraceway.com/>

Long break at lunch time?:

Gingerman Raceway has always had this policy in place, but is enforcing it from now on. On Sunday mornings from 10am until 12 noon there is a mandatory quiet law in effect. If they break that law, they can be fined heavily. You are able to leave the track during this time as long as you are back by 11:50am to get ready for the next session. For those of you who do not wish to leave we're open to suggestions, but were thinking of showing movies (possibly last years track day video). Maybe bring in some board games with you! If you happen to miss the first drivers meeting, we can fill you in on the rules during break.

Refunds:

Refunds will be given only to those who notify us 2 days in advance of the track day so we may fill your spot with someone who can make it. If you can't make it that's fine, but you must tell us before April 7th 2006, & a refund check will go out soon after. If your car does not pass tech inspection, you will not be driving & no refund will be issued. If you don't show up, sorry about your loss.
